❖ EXECUTIVE SESSION:

Discussion occurred regarding the annual performance reviews and salaries for the positions of General Manager and Deputy General Manager. A grid was reviewed that outlined comparable wages for the GM and DGM positions at various GovGuam agencies. The question was raised as to whether bonuses or incentives could be included as a form of compensation but it was not clear if this is possible. There was general consensus that both the GM and DGM had performed at a high level and should be compensated at a level that matches that of GIAA and that this compensation should be retroactive to the beginning of FY2013 (October 2012). The Directors thanked the GM and DGM for their excellent performance and for "raising the bar."

❖ OLD BUSINESS:

❖ NEW BUSINESS:
Motion made by Director Calvo, seconded by Director Arriola to adopt the same base salary of GIAA’s General Manager and Deputy General Manager and make applicable to Guam Visitors Bureau’s General Manager and Deputy General Manager retro active to the beginning of FY2013, with the concurrence of the Vice Chairman’s oral approval as he was tasked to review evaluations and recommend management compensation.
Motion approved.

Director Arriola made a motion, seconded by Director Calvo for Deputy General Manager J. Nathan Denight to be Acting General Manager of the Bureau upon the departure of current General Manager Joann Camacho, effective on January 1, 2013.
Motion approved.
