III. CHAIRMAN’S REPORT

► Regarding the FY17 budget presentation - Chairman Badyga praised Management on a job well done. Nathan noted GVB’s budget hearing would be coming up in the next few weeks.

► Chairman Badyga said a question had been raised at the last Board meeting regarding GVB’s enabling legislation, and how many votes are actually needed for approval. It was clarified by the Board and legal counsel that “any resolution or action of the Board shall require an affirmative vote of 8”. With no objections, the Board decided to add this clarification to the Board Policies & Procedures (for future Boards).
Chairman Balyga asked the Board for suggestions and feedback regarding the proposed Bill 338 (which would raise the TAF from 11 to 15%). Director Shinohara said an official opinion should be put forth. The Board requested that Management prepare a letter of concern to present to the Legislature.

Background: The DGM will join the Governor and First Lady in meeting with Secretary of the Homeland Security Mr. Jeh Johnson to discuss the CPB lines at airport. Items to be discussed are the excessive delays in processing time, in part because of language difficulties (more than 90% of Guam visitors come from Asian countries), and the insufficient number of ground agents available to ensure that arrival documents are correctly prepared and arriving passengers directed to the right queues.

Additionally, the DGM will join Governor Calvo and First Lady in meetings at the National Governors Association (NGA) 2016 Summer Meeting in Des Moines, Iowa from June 13 - 16.

Background: As Taiwan continues to be an important tourism market source for Guam, contributing over 50,000 visitors annually GVB will conduct meetings in Kaohsiung and a focused marketing and sales mission in the city of Taichung. Taichung County is a special municipality located in central western Taiwan with a population of over 2.7 million people making it the third largest city in the country. As we continue to grow and develop Taiwan’s outbound potential to Guam we are targeting new market segments to create new business. With China Airlines’ 1-hour flight schedule (on Wednesday and Sunday’s) and additional Saturday flight, Taiwanese visitors living in Taichung, Kaohsiung, and other southern regions can now transit to Guam on a connecting flight or the high-speed rail with greater convenience. On this mission, our marketing department will conduct a sales presentation to provide the most updated Guam information to key partners, travel agencies, and media in Taichung County.

In addition, in FY2010 the Guam Visitors Bureau (GVB) launched the Guam Chamorro Dance Academy and conducted five 2-day dance workshops in the Tokyo area targeting Hula Dance Clubs. Up to 50 pax attended each dance workshop conducted by Master of Chamorro Dance Frank Rabon. The success of the program proved that our people and heritage are enticing elements in Guam’s role as an attractive destination as the program was expanded to include other regions of Japan.

Expanding the Guam Chamorro Dance Academy in Taiwan will help to promote Guam’s unique culture and heritage, fostering not only cultural exchange between Taiwanese and Chamorro people, but promoting travel between our two countries.
