LIVING THE HÅFA ADAI PLEDGE
Encourage Håfa Adai Fridays throughout the company or organizations and diaspora in island wide.

HAFA ADAI RATE (HAR) PROGRAM
About the Håfa Adai Rate
The Håfa Adai Rate (HAR) mobile encourages Guamanians not to bring Håfa Adai, but to support local businesses who are embracing our island’s language, culture, community, and lifestyle.

China Clipper - Beginning of a new era
The China Clipper, one of the last surviving China Clipper airships, set out from Larkspur, California on November 23, 1923 with an average speed of 150 miles per hour, and after stops in San Francisco, Hawaii, and Shanghai, finally arrived in Hong Kong, China, on December 3, 1923. The total flight time for the trip from Larkspur, California, to Honolulu, Hawaii, to Manila, the Philippines, and finally to Hong Kong, China, was 12 days, 23 hours, and 51 minutes. En Route, the China Clipper stopped in Japan, Indonesia, and even China.
