KAO IN TUNGO? (DO YOU KNOW?)
Running - History of the Sport on Guam
Running on Guam has existed for over 100 years. The first documented races were held around 1900. Since then, running has evolved into a popular sport on Guam. When I started, there were only a few races every year. In those days, there were few participants and few rules. It was a fun sport, but it was not organized or competitive. In the early 1990s, a group of runners formed the Guam Running Club (GRC). The GRC was formed to promote the sport of running on Guam. The GRC organized races and encouraged runners to participate in them. The GRC also held a weekly running group. The GRC formed in 1990 and held its first race in 1991. The GRC has organized many races and events over the years. The GRC has also organized a weekly running group. The GRC has held many races and events over the years, and the sport of running on Guam has continued to grow.
