

Guam Visitors Bureau • Setbision Bisitan Guahan
APRIL 2013 VISITOR STATISTICS

Positive Growth in April

April arrivals to Guam posted a 4.2% year-over-year growth from 87,806 visitors to 91,499. The Sea Princess and the MV Bremen which arrived on Guam on April 16 and April 23, respectively added 2,070 more visitors to a historically low visitor arrival month.

The visitor count from Japan slid marginally (-2.4%) to 59,635 from 2012's 61,077. Visitor travel demand from cosmopolitan cities of Tokyo (-4.1%) and Osaka (-9.7%) prefectures tanked, while Nagoya arrivals recorded a 4.3% increase. The growth from secondary cities such as Kyushu (7.0%), Hokuriku (11.3%), Chugoku (3.7%), and Other Japan (579.9%) were not enough to buffer the losses from Tokyo and Osaka.

Double-digit gains continued from Korea which is largely attributed to increased seat capacity from the Incheon & Pusan gateways. Korea's load factor in April rose to 80% in April 2013 compared to 76% last year with fewer seats servicing the Korea-Guam air route.

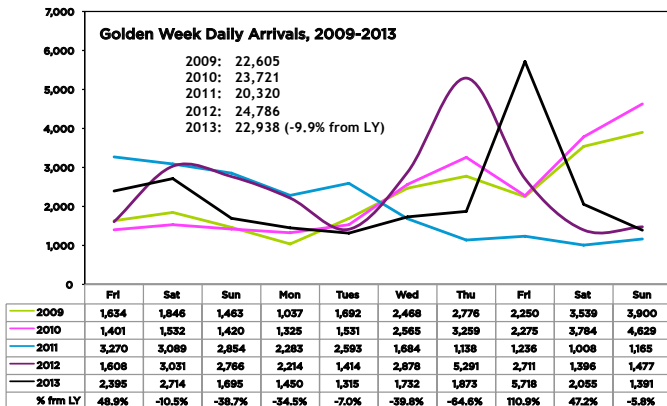

Taiwan arrivals fell 23.5% from 3,963 arrivals last year to 3,031. The double-digit loss is directly in-line with 24.9% less airline seats from the Taiwan market in April 2013 (4,614 vs. 6,144).

Other notable growth was reported from Russia (79.4%), China (17.7%), U.S. Mainland (18.6%), and Europe (40.5%).

Calendar year-to-date arrivals (January-April) is 4.2% ahead of the same period last year (466,857 vs. 442,899), while fiscal year-to-date levels were 8.4% higher (798,048 vs. 736,216).

A Ho-Hum Golden Week

Japan arrivals to Guam during the Golden Week 2013 period were lackluster. Japan's tally fell 9.9% with 22,938 arrivals compared to 24,786 in 2012. This year, travel to Guam from Japan peaked on Friday, May 3 with 5,718 Japanese visitors. Interestingly, this year's peak arrival figure outpaced 2012's peak (5,291).
