INDUSTRY RECOVERY REPORT
FEBRUARY 5, 2021
The Guam Visitors Bureau (GVB) has announced that its membership has elected four members to serve on the GVB Board of Directors for a two-year term effective immediately. The election was conducted virtually through the platform Election Runner.

The board members who were elected include DFS T-Galleria Vice President for Operations Charles Bell, Triple J Group President & Chief Operating Officer Jeff Jones, Pacific Islands Club General Manager and P.H.R. Ken Micronesia, Inc. Senior Managing Director Ben Ferguson, and SGC, Gatewood Enterprises, LLC and Exporta Guam President Stephen Gatewood.

“On behalf of President & CEO Carl T.C. Gutierrez and the GVB team, we thank all the candidates for their dedication to our number one industry and also thank our members for exercising their right to vote. We very much look forward to working with the newly elected board of directors,” said Dr. Gerry Perez, GVB Vice President. “GVB values the voices that collectively represent our tourism industry, and we will make sure everyone is heard, especially as we work hard to reopen our island and rebuild our economy during this pandemic.”

The GVB Board of Directors is comprised of 13 total members including one alternate member. Four members are elected by GVB’s general membership to serve a two-year term. The Governor of Guam appoints five members, including a Mayors Council representative. The Legislative Speaker also appoints three members, including one alternate member. One member is additionally selected by at least 8 board members to serve a two-year term.
Vaccination Clinic Schedule

COVID-19 Vaccination Schedule for February 2-6

DPHSS, in partnership with the Office of the Governor, the Guam National Guard (GUNG), Guam Department of Education (GDOE), University of Guam (UOG) School of Health, Mayors’ Council of Guam (MCOG), Department of Public Works (DPW), Guam Department of Labor (GDOL), Guam Fire Department (GFD), Guam Police Department (GPD), the Serve Guam Commission which oversees the AmeriCorps Guam Program and the Offices of Guam Homeland Security and Civil Defense (GHS/OCD), continues COVID-19 vaccination clinics for eligible residents.

Clinics will take place at Okkodo High School on Tuesday, February 2 from 8:30 a.m. to 3 p.m. and UOG Fieldhouse on Tuesday, February 2 through Saturday, February 6 from 1 p.m. to 7 p.m.

Eligible residents are advised to schedule an appointment online via Eventbrite at the links provided above. A limited number of walk-ins will be accepted hourly.

Please bring a digital or hard copy appointment confirmation and a photo ID. Those due for their second dose are reminded to bring their COVID-19 immunization card. This ensures quicker processing and proper documentation.

For the latest information on COVID-19, visit dphss.guam.gov or guamrecovery.com. For inquiries on COVID-19, contact 311 through a local number, or call the Joint Information Center at (671) 478-0208/09/10.

Pre-screening Eligibility Vaccinations

To take the COVID-19 vaccine, you must meet the following pre-screening eligibility criteria*:

• Must not be currently infected with COVID-19, or previously exposed within the last 14 days

• Must not have received any other vaccine, such as the flu shot, in the last 14 days

*Please note: If this is your first time receiving the COVID-19 vaccine, please make sure you have never taken other COVID-19 vaccine products.

Please visit dphss.guam.gov to view the pre-screening eligibility.

V-Safe Vaccine Symptom Monitoring

Individuals who have received the COVID-19 vaccine are encouraged to register for the tool called v-safe, offered by the U.S. Centers for Disease Control and Prevention (CDC). V-safe is a smartphone-based tool that uses text messaging and web surveys to provide personalized health check-ins after you receive a COVID-19 vaccination. Through v-safe, you can quickly tell CDC if you have any side effects after getting the COVID-19 vaccine. Depending on your answers, someone from CDC may call to check on you. V-safe will remind you to get your second COVID-19 vaccine dose if you need one. Sign up for v-safe with your smartphone’s browser at https://vsafe.cdc.gov.

For the latest information on COVID-19, visit dphss.guam.gov or guamrecovery.com. For inquiries on COVID-19, contact 311 through a local number, or call the Joint Information Center at (671) 478-0208/09/10.
The Department of Public Health and Social Services (DPHSS) issued Guidance Memo 2021-04, relative to restrictions and allowances for public and private operations pursuant to Executive Order No. 2021-03, during Pandemic Condition of Readiness 2 (PCOR 2).

EFFECTIVE 8 A.M., FEBRUARY 1, 2021: congregation is permitted and shall be limited to no more than twenty-five (25) persons; and such that

- Running, walking, biking, and other recreation and non-contact exercise is authorized on public roadways, beaches, and parks, provided there are no more than twenty-five (25) persons per group.

- Recreational boating by single household unit, and boat charters, where 6 feet distancing can be maintained by everyone on board, is authorized. Boat charters may not permit congregations that exceed twenty-five (25) persons.

- The use of hotel ballrooms shall be restricted to a single public or private reservation to celebrate functions (i.e., anniversaries, birthdays, weddings, graduations) where the total number of guests are limited to no more than twenty-five (25) individuals.

- Public and private swimming pools allow no more than twenty-five (25) individuals per group at poolside and must remain 6 feet distance if not from the same household.

EFFECTIVE 8 A.M., FEBRUARY 1, 2021: Government of Guam parks and beaches shall be open to the public and congregations shall be limited to no more than twenty-five (25) persons.

Businesses and service not authorized for on-site operations are as follows:

- Bars and taverns;
- Contact sporting events of all types and non-contact sports competition or organized games;
- Senior Centers; and
- Other businesses and services identified by the DPHSS.

DPHSS Offers COVID-19 Vaccination Clinic Appointments Online through Eventbrite

The Department of Public Health and Social Services, in partnership with the Office of the Governor, Guam Department of Education (GDOE), Mayors’ Council of Guam (MCOG), Department of Public Works (DPW), Guam Department of Labor (GDOL), Guam Fire Department (GFD), Guam Police Department (GPD), Guam National Guard (GUNG), University of Guam (UOG) School of Health, the Serve Guam Commission which oversees the AmeriCorps Guam Program and the Offices of Guam Homeland Security and Civil Defense (GHS/OCD), continues its COVID-19 vaccination clinics.

DPHSS is accepting appointments for COVID-19 vaccinations at Okkodo High School (OHS) in Dededo for individuals who fall in any of the Phase 1a, 1b, or 1c categories.

A total of 45 appointment slots and 10 walk-ins will be available hourly. Although walk-ins will be accepted, priority will be given to scheduled appointments. Patients must bring a digital or hard copy appointment confirmation and a photo ID.

Residents are advised to schedule an appointment online via Eventbrite through the below link:

The Guam Economic Development Authority (GEDA) has opened its application period for the Qualifying Certificate Community Contribution (QCCC) Grant Program Series 3. The program will provide grant funding up to $50,000 per award to non-profit organizations (NPOs) and Government of Guam departments or agencies toward eligible projects and programs with an emphasis on workforce and entrepreneurship development. This grant funding is provided by the Qualifying Certificate Community Contributions from the Guam Regional Medical City and TNN Guam dba Tsubaki Hotel.

The grant application period opens February 05, 2021 and closes on February 26, 2021 at 5:00pm.

The focus of Series 3 is on projects that aid in the re-training of unemployed or underemployed persons or development of new small businesses. Since the start of the QCCC grant program, GEDA has distributed $600,000 to 56 of non-profit organizations (NPOs) and Government of Guam departments/agencies for projects falling into one of seven (7) categories: (1) health care, (2) public safety, (3) higher education, (4) cultural preservation, (5) tourist attractions, (6) sports tourism, or (7) economic development.

“The COVID-19 pandemic has disrupted our workforce with those in tourism being the most vulnerable. We focused this series of funding on programs to address skill development needs for our workforce and those transitioning from unemployment to employment or to being a small business owner,” stated Melanie Mendiola, CEO/Administrator. “GEDA’s Taking the Leap Conference last year indicated the desire for more information to spur economic growth for both employees and businesses. GEDA’s goal is to create community partnerships to build career pathways while further strengthening our industries.”

GEDA will be accepting grant applications via email at qcgrants@investguam.com. For more information on the QC Community Contribution Grant Program, interested applicants are encouraged to visit the GEDA website at www.investguam.com/qc-grants or contact our Grant Coordinator at qcgrants@investguam.com.

FOR IMMEDIATE RELEASE February 5, 2021

Barrigada, GU - The Guam Department of Revenue and Taxation (“DRT”) announced today that it has processed another 20,250 EIP 2 checks totaling approximately $21,96 million. EIP 2 was authorized by the COVID-related Tax Relief Act of 2020 (CRTRA).

Checks were transmitted to the Treasurer of Guam for mailing this week.

To date, 36,151 EIP 2 checks totaling approximately $42,067,662 have been processed. March 19, 2021 is the last date that EIP 2 payments will be made.

Basis for EIP 2 Program Payment Processing

EIP 2 Program payments are based on validly filed and processed 2019 Guam Individual Income Tax Returns or for non-filers, validly filed and processed Forms EIP-NF filed by November 21, 2020.

You can find DRT’s FAQ on the Guam EIP Program in the COVID-19 section of the DRT website at https://www.guamtax.com/.

DRT’s call center numbers are 635-1840/41/42/57 and 635-7603/04/06.

Due to high call volumes, however, DRT recommends e-mailing general questions regarding the Guam EIP Program to guameip@revtax.guam.gov.
GVB recognizes Visitor Safety Officers

The Guam Visitors Bureau (GVB) held its second annual awards ceremony to recognize the achievements of its Visitor Safety Officers (VSOs) on January 29, 2021. The VSOs were recognized for their outstanding contributions in 2020 by GVB’s board, management, and staff in a small, outdoor ceremony at the Bureau’s Tumon office. Since 2014, the program has seen great success in providing the presence of concierge and safety to both local residents and visitors in Tumon. It has been regarded as one of GVB’s most successful destination-based programs.

"On behalf of President & CEO Carl Gutierrez, the tourism industry, and the people of Guam, we thank the Visitor Safety Officers for what they do, the exceptional way in which they carry out their responsibilities, and the many times they go above and beyond the call of duty," said Dr. Gerry Perez, GVB Vice President. "The thrust of our VSO program is centered on the safety and security of our tourists and local residents. But the issues and activities that they continue to address today have taken on new meaning in the midst of COVID-19."

Adapting in the face of a pandemic

The COVID-19 pandemic brought new challenges to Guam’s tourism industry with the loss of visitors in early 2020. However, the women and men of the VSO program quickly adapted to serve the community in protecting the parks and beaches of Tumon. The VSOs documented over 12,000 reports of assisting residents with COVID-19 advisories on social distancing and use of public parks and beaches last year.

Eight VSOs commended

The GVB board and management commended the VSOs for their outstanding contributions and additionally presented eight special awards during its ceremony.

Håfa Adai Spirit Award – VSO Donnie Atoigue
Integrity Award – VSO James Rodriguez
Significant Achievement Award – VSO Frankie Borja
Leadership Award – VSO Shift Leader Christopher San Nicolas
Lifesaving Award – VSO Kylen Dohress
Rookie of the Year – VSO Mart Sablan
Beach Safety Officer of the Year – BSO Ricardo Samonte
Visitor Safety Officer of the Year – VSO Marissa Maryland-Boak
Eagle Scout Project – Ypao Beautification

The Guam Visitors Bureau (GVB) together with the Islandwide Beautification Task Force (IBTF) is proud to announce that an Eagle Scout candidate has completed a beautification project with youth volunteers at Governor Joseph Flores Memorial Park (Ypao Beach) on January 30, 2021.

Mark Wang, a sophomore from St. John’s School, organized the project as part of his work as an Eagle Scout candidate in the Boys Scouts of America. A prominent requirement of being an eagle scout is to plan and execute a service project that stands to benefit a community beneficiary, which in this case, benefited the Department of Parks and Recreation.

Wang, together with scouts and students from different schools, gathered at Ypao Beach to restripe the parking lot lanes on both east and west locations using paint, materials, and supplies that were generously donated by the Home Depot.

“The idea behind doing this at Ypao is because I wanted to take this project as an opportunity to give back to the community in any small way possible. Ypao Beach is a popular destination for locals and tourists, which fuels Guam’s number one industry. With this in mind, I decided to repaint the parking lot in order to give the area a brighter look, along with improving safety since many of the parking lanes were barely visible to vehicles,” said Wang. “I want to thank everyone that helped out, including the volunteers, Islandwide Beautification Task Force, Home Depot, Department of Parks and Recreation, and Guam Visitors Bureau.”
MARKET INTELLIGENCE REPORT

SOUTH KOREA
KOREA COVID-19 NEWS

HIGHLIGHT

- South Korea’s daily new coronavirus cases stayed in the 300s for the second straight day on February 1, and the tally fell back to 300s for the first time in five days.

- After the third wave of the pandemic peaked at a record high of 1,241 on December 25, new virus infections have been slowing down. But health authorities worry about the risk of an uptick as cluster infections have continued to pop up at religious facilities, hospitals and other risk-prone establishments.

SOUTH KOREA TO REQUIRE ALL FOREIGN ARRIVALS TO TEST NEGATIVE FOR COVID-19

01. All Inbound Passenger
- Foreign arrivals must have PCR coronavirus test taken within 72 hours before their departure to South Korea

02. Government Facility
- Foreign arrivals will be tested automatically at their quarantine facility or airport.
- Must to be quarantined for 14-day at government facility
- Report twice a day through Self-quarantine Safety Protection App

03. While Staying Korea
- Foreign arrivals have to follow the social distancing measure and protocol guidelines while staying in Korea

DAILY AND CUMULATIVE NUMBER OF CONFIRMED CASES FOR 2 WEEKS

Confirmed COVID-19 CASES: 79,762
10.8% active (8,610)

AS OF FEB 4, 2021
**SOUTH KOREA RAISED SOCIAL DISTANCING MEASURE (EXTENDED UNTIL FEB 14)**

| Level 1                                      | Level 1.5                                                   | Level 2                                                | Level 2.5                                           | Level 3                         |

**Additional Measure**
(Jan 3 – Feb 14)
Gathering of five (5) or more people are banned in the greater Seoul area.

- The government extended the current **Level 2.5 distancing measures in the capital area and the Level 2 restrictions in the rest of the country until February 14**, as it is wary of a pileup in cluster infections ahead of the Lunar New Year holiday.
- It will also continue to **ban private gatherings of five or more people** in an effort to rein in the spread of the new coronavirus **ahead of the holiday**, set for February 11-14.
SOUTH KOREA WILL START VACCINATION IN LATE FEBRUARY OR MARCH INCLUDING FOREIGN RESIDENTS

- The Centers for Disease Control and Prevention is expanding the requirement for a negative COVID-19 test to all air passengers entering the United States effective on January 26, 2021.
- The testing requirement for air passengers will help slow the spread of the virus as we work to vaccinate the American public.

- The Korean government plans to start vaccinations in late February or early March and expect to complete by September.
- The government estimated to have herd immunity by November.
- Not only Korean nationals, the foreign residents in South Korea will also be given the COVID-19 vaccine for free.

VACCINATION PLAN

- Korean government plans to vaccinate high-risk health care workers at hospitals and people at elderly care facilities in the first quarter.
- The plan is to immunize 70% of the population by the third quarter, and achieve herd immunity by November.

1st Quarter
- Medical professionals treating COVID-19 patients at hospitals (Feb~)
- Medical workers at general hospitals (Mar~)
- High-risk health care workers (Mar~)
- No. of vaccination: 1,330,000

2nd Quarter
- Individuals 65 years and older (May~)
- Other high-risk facilities for elders and disabled health care workers
- Health care workers at hospital (May~)
- No. of vaccination: 8,500,000

3rd Quarter
- Chronic patient
- Essential workers incl. police officers and firefighters
- Workers at education and nursery facilities
- Individuals aged 19-64
- Vaccination: 70% of Population

4th Quarter
- Start Second Does who received dose One
- Those who are not vaccinated
- Pregnant women and children under 19 are excluded from vaccination

No. of vaccination and its plan - subject to change

HAWAII EXPANDS PRE-TRAVEL TESTING PROGRAM TO INCLUDE SOUTH KOREA

From February 5, travelers from Korea may bypass the State of Hawaii’s mandatory 10-day quarantine if they take a COVID-19 test from a trusted testing partner in Korea. The test must be taken no earlier than 72 hours prior to departure and the test result must be negative.

However, Korean nationals traveling abroad are still subject to a 14-day quarantine upon their return to the country.

SAFE TRAVEL - PROTOCOL

TRUSTED TESTING PARTNER IN KOREA
- Yonsei University Health System, Severance Hospital
- Kangbuk Samsung Hospital
- Inha University Hospital
- Asan Medical Center

TRIPS
- Add upcoming trips with travel dates and flight information

HEALTH QUESTIONNAIRE
- Complete the health questionnaire 24 hours prior to the flight. Passengers will receive an email with QR code that will be scanned by a screener at the airport

DAILY CHECK-IN
- Check-in daily for 10 days and complete a simple form (*for 10-day quarantine required visitors only)

DOCUMENTS
- Upload document for trip in Hawaii
  - i.e. COVID Test Result, recent picture, etc.
THAILAND ALLOWS VISITORS TO PLAY GOLF IN QUARANTINE

Thailand government approved six (6) resorts for quarantine for foreign golfers with advance arrangements. Quarantining visitors will be able to move around the resorts and also play golf, rather than just isolate in their rooms.

Travel agencies launched golf quarantine packages to target golf lovers.

Departure (Incheon-Bangkok)
- January 31 (canceled)
- Feb 18, Mar 4, and Mar 18

Protocol
- Must have a negative PCR test taken within 72 hours of departure as well as $100,000 worth of insurance that covers treatment of COVID-19
  1) 1st PCR swab test (Day 0-1)
  2) 2nd PCR swab test (Day 5-7)
  3) 3rd PCR swab test (Day 13-14)
- Leave approved golf resorts are prohibited during quarantine period

Package Price
- USD 2,060 - USD 6,040

Others

CHARTER FLIGHT FROM INCHEON TO SAIPAN - GOLF QUARANTINE

MVA cautiously planned to reopen its tourism in January but the Ministry of Land, Infrastructure and Transport disapproved a charter flight from Incheon to Saipan scheduled on January 13.

Asiana Airline will reapply for charter flight service to target February.

Travel Period (long-term)
- January 13-February 10 (23N24D)
  *Postponed

Protocol
- 1. Tourists prepare proof of a negative test 72 hours before arriving
- 2. Take 2nd PCR test upon arrival at the airport and quarantined at PIC
- 3. Take 3rd PCR test on the 6th day.
  *(if negative, tourists transfer to Kensington)

Package Price
- $6,499 (inclusive of flight, hotel, meals, PCR test - 2 times)
- $8,499 (if includes golf)

Others
- MVA is reviewing to cover medical care cost if the tourist is infected by COVID-19

Package Price
- $6,499 (inclusive of flight, hotel, meals, PCR test - 2 times)
- $8,499 (if includes golf)
Jeju Air will launch ‘Air Ticket Sales Promotion’ from February 2 to February 10, prioritize Jeju Air VIPs and memberships. Consumers can book and purchase tickets through website and mobile app. Also, SNS event will be conducted to provide discount coupons and giveaways. Jeju Air plans to resume ICN-GUM flight from June 1, 2021 but subject to change.

Travelers’ perception of risk has changed and this is expected to give a boost to travel insurance in the coming days. Some countries such as Singapore, and Thailand require all incoming travelers to purchase travel insurance and that it is expected that the traveler’s insurance market is likely to expand rapidly.

**JEJU AIR - AIR TICKET SALES PROMOTION**

**Domestic: April 1 - September 30**  
**Overseas: June 1 - September 30**

**TRAVEL DEPARTURE**

**PROMOTION PERIOD**
February 2 - 10, 2021

**TICKET PRICE**
Domestic: $8~ (one-way)  
Overseas: $36~ (one-way)

**SOME COUNTRIES REQUIRE TRAVEL INSURANCE FOR ALL TRAVELERS**

**SINGAPORE**
- Required Travel Insurance: Guarantees USD25,000 in medical expenses (Jan 30, 2021-)
- Medical Expense: foreigners should cover all the expenses of COVID-19 treatment themselves (Jan, 2021-)

**THAILAND**
- Required Travel Insurance: Guarantees USD120,000 in medical expenses (Mar, 2020-)
- Medical Expense: foreigners should cover all the expenses of COVID-19 treatment themselves

**VIETNAM**
- Required Travel Insurance: considering introducing COVID-19 traveler’s insurance to boost international tourism after the New Year’s holiday in February, 2021.
Taiwan's Central Epidemic Command Center (CECC) has obtained over 100,000 doses of the Pfizer coronavirus vaccine and will take delivery of them on Feb 4.

As the European Union's threats of export controls on vaccines have raised fears of delayed shipments of jabs to Taiwan, UDN on Monday (Feb. 1) reported that the CECC has obtained more than 100,000 doses of the Pfizer-BioNTech COVID-19 vaccine via diplomatic channels in the U.S. It is expected that the shots will be delivered to Taiwan by Emirates Airlines on Thursday.

Health Minister said on Saturday (Jan. 31) that Taiwan could face delays in the delivery of a COVID-19 vaccine from British-Swedish vaccine developer AstraZeneca, after the EU introduced tighter rules on vaccine exports a day earlier.

Health Minister Chen, who also heads the Central Epidemic Command Center (CECC), made the comment after new rules, set to be introduced from Jan. 30 to March 31, stipulate the export of COVID-19 vaccines produced in the bloc have to be approved by the EU authorities. At a press conference in Taipei, Chen said a batch of vaccine doses from AstraZeneca was scheduled to be delivered soon, but that could now be subject to change.

The latest list of the risk categories for countries/regions is as follows:

Low-risk countries/regions: New Zealand, Macao, Palau, Fiji, Brunei, Laos, Nauru, East Timor, Mauritius, Vietnam, the Marshall Islands, Cambodia

Medium-risk countries/regions: Australia, Singapore

• 2021 Taiwan Lantern Festival has been canceled; 2021 Taipei Lantern Festival has been postponed
• Large-scale events without complete risk assessment are strongly suggested to be canceled by CECC Commander Chen
