Modified Visitation at GMH

Effective Monday, June 15, 2020, the Guam Memorial Hospital Authority (GMHA) implemented the following visitation guidelines:

- Visitation is restricted in all units/departments wherein Persons Under Investigation (PUIs) or COVID-19 positive patients are treated or admitted.
- Emergency Room visitation is restricted due to the high traffic and possible concentration of Persons Under Investigation (PUIs).
- Visiting hours in the ICU/CCU are from the hours of 5 p.m. to 7 p.m. Limit of one (1) person at a time.

- Labor & Delivery Patients may designate one (1) support person during labor and delivery stay. The rotation of support persons is not permitted.
- Obstetrics Ward Patients may designate one (1) support person during postpartum stay. The rotation of support persons is not permitted.
- Parents of Nursery/NICU patients may contact the unit via the operator at 647-2330/2252 to schedule 15-30 minute visitation, or a virtual visit using electronic devices.

Expanded COVID-19 Testing Continues

The Department of Public Health and Social Services (DPHSS), in collaboration with the Government of Guam, the Mayors Council of Guam, private, and federal agencies, continues expanded COVID-19 testing.

Testing is free and open to the public while supplies last. No symptoms are needed to qualify for testing. If your village is not listed, please proceed to a neighboring village for testing. Please bring an I.D., if one is available. The expanded testing schedule is as follows:
