

Joint Information Center - JIC Release No. 185
June 18, 2020, 12:30 p.m. (ChST)

**Four Confirmed Cases from DoD; Profiles of Confirmed Cases;
Expanded COVID-19 Testing Continues**

Four cases tested positive for COVID-19 through the Department of Defense (DoD) and were identified through contact tracing. Since Friday, June 12, eight cases of COVID-19 have been identified among service members in a unit deployed to Andersen Air Force Base (AAFB). All cases have been placed in isolation and are currently under investigation.

COVID-19 test results are reported from multiple labs at varying times of the day. Cumulative test results will be provided this evening once all tests from today are finalized.

To date, there have been **192** confirmed cases of COVID-19 with **5** deaths, **170** released from isolation, and **17** active cases. As this is an evolving situation, information is subject to change with little to no notice. For updated information on COVID-19 cases on Guam, visit the COVID-19 Dashboard and Situation Report at <http://dphss.guam.gov/covid-19/>.
