| TOTAL CONFIRMED COVID-19 CASES AS OF 9:20 PM, MONDAY, APRIL 27, 2020 | | | 144 |

¹Beginning March 26, 2020

²Beginning March 31, 2020

³Beginning April 15, 2020

⁴Beginning April 23, 2020

The Department of Public Health and Social Services (DPHSS) tested 38 individuals for COVID-19 on Monday, April 27, 2020 with conclusive results. Two tested positive through DPHSS and 36 tested negative for SARS-CoV-2.

One additional case tested positive through the U.S. Naval Hospital (USNH) Guam and was reported earlier today.

The DPHSS overall count also includes probable cases of COVID-19 and confirmed positive cases tested by the Naval Health Research Center (NHRC) in San Diego, the Guam Memorial Hospital Authority (GMHA), the Guam National Guard (GUNG), and Diagnostic Laboratory Services (DLS).

To date, 144 cases have been confirmed through COVID-19 testing provided, with 5 deaths and 128 released from isolation. When a patient is released from isolation, he or she is no longer considered infectious. According to the U.S. Centers for Disease Control and Prevention (CDC) research and published guidelines, a patient is released from isolation after at least 72 hours have passed without a fever or additional respiratory issues and at least seven days have passed since symptoms first appeared. All remaining cases are in isolation.

For inquiries on COVID-19, contact 311 through a local number, or call the Joint Information Center at (671) 478-0208/09/10.
