# *Getting Married in Guam.*

Whether you are planning a once in a lifetime experience for your wedding and honeymoon, or celebrating an anniversary or second honeymoon, Guam offers the magic to make lifetime memories. Guam is the perfect destination for a romantic get-away that you will never forget.

Guam's natural beauty provides a rich backdrop to romance. The island's hotels, resorts, restaurants and entertainment facilities are perfect venues to share this special occasion with the family and friends. The island has become a very popular wedding and honeymoon destination for couples from all over Asia in recent years and there are several companies offering a full range of wedding services. Whether it is the simplest of ceremonies or the most elaborate of affairs with a cast of hundreds, styled settings, stretch limousines and lavish receptions - no expenses spared - Guam can make it happen for you.

# *How to Get Married In Guam.*

Many couples choose to have a simple legal marriage at home then bring their friends and relatives to Guam for the full ceremony. Some of the major hotels have elaborate chapels, some in European styles and others that celebrate Guam's unique "island style".

With just a few days notice, a couple can be legally married in Guam, USA and hold a genuine American marriage certificate. Couples can make the arrangements themselves but it would be better to have one of Guam's wedding service companies make the arrangements.

Applicants must complete out a marriage license application form (see Appendix A) at the Office of Vital Statistics located at the first floor of the Department of Public Health and Social Services and submit it together with their birth certificate, passport and other relevant documents (see Appendix C). Applicants can request to have the mandatory five (5) day waiting period waived by completing an affidavit for "Good Cause Shown, " which can be obtained at the Office of Vital Statistics (see Appendix D).

# *How to Get Married In Guam.*

The marriage ceremony can be performed by any of the following:

- 💍 Governor of Guam or Appointed Substitute
- 💍 Speaker of the Guam Legislature or Appointed Designee
- 💍 Judges of the Supreme Court or Superior Court
- 💍 Ordained Clergyman or Priest
- 💍 Director or Deputy Director of the Department of Administration
- 💍 Director of Revenue and Taxation
- 💍 Director of Public Health and Social Services

Once the marriage ceremony has been performed, celebrants must take their documents to the Office of Vital Statistics located at the first floor of the Department of Public Health and Social Services to obtain their marriage certificate.

The procedures and the Guam marriage application are included at the end of this report.

# *Restaurants*

Guam's cuisine ranks among the very best, with world-renowned restaurants and chefs catering to our island community. While most restaurants will accommodate a couple's request for their special day, many establishments prefer to work through a wedding service company to meet the special needs of the couples.

# *Old Haganta Grill*

Old Hagatna Grill where East meets West. Old Hagatna Grill has a very unique decore and our intimate atmosphere is perfect for that special celebration. Chef Quenga has an interactive venue and can prepare custom menus for your wedding reception. We can also arrange for Pastoral services here on the premises. So you can have your wedding and reception all in one location. Our wedding planner can arrange and take care of every detail so that the celebration is most memorable. We can accommodate a minimum of 10 people and can cater to up to 100 people.

Wedding packages are pre-arranged with the couple and their families. Each venue is a unique custom package individualized to fit their needs. The quantity of people that will attend, the couples desires and budget will determine the venue. We can arrange small intimate settings to include the wedding ceremony followed by just a champagne toast and wedding cake afterwards. Or a simple setting with appetizers and cocktails. For a more formal setting we suggest following the ceremony by leading into a 5 course wine dinner. The thing that is unique to the Old Hagatna Grill is that nothing is fixed we cater to the individuals needs and with enough prior notice we can make their wedding and reception the most memorable evening a couple can cherish. We can also record those special moments on video starting as low as \$650.00 per recording.
